DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 06/29/2007 has been entered.

Reason for Allowance

2. Claims 1-12, 19 & 21 are allowed. The following is an examiner's statement of reasons for allowance: the application is allowable for the reasons set forth on page 9-11 of the Applicant's response filed on 06/29/2007.

2.1 As noted therein, the claimed invention requires inter alia a broadcast type service system comprising at least one transmission device, a plurality of first reception devices and second reception devices and a reception information providing device configured to carry out communications with second reception device for the reception device to intercept the application data, which is transmitted to from the transmission device to at least one first reception device in combination with other limitations as claimed in Claims 1, 19 & 21.

The closest prior art Callaway teaches master device configured to carry out

communications with slave devices for transmitting data from one slave device to another slave device. But Larsson fails to teach claimed information providing device in combination with other limitations as claimed in Claims 1, 19 & 21.

The combination of other cited prior art references do not teach or suggest claimed information providing device in combination with other limitations as claimed in Claims 1, 19 & 21.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
